

The diagram shows a central gray square with a thick black border. The word "Tripolo" is written in a bold, black, sans-serif font in the center of the square. Three horizontal black lines extend from the square: one from the left side, one from the right side, and one from the bottom side. Each of these lines has a small black dot at its outer end. The bottom line is continuous across the width of the diagram, with a dot at the far left and far right, and another dot where it meets the bottom of the square.

**Tripolo**
